

CA-CM-PS-CFTR Product Description

This shielded PUR (polyurethane) cable has a T7 straight connector at one end and a right-angle connector at the other end. The cable has a built-in 120 ohm terminating resistor across pin 4 and pin 5. This cable is used with RS485 versions of the T7 and long cable lengths. A CA-CM-PS-CFR (<https://www.usdigital.com/products/cables-connectors/cables/can/CA-CM-PS-CFR>) cable (without terminating resistor) should be used for the intermediate sections of a daisy-chained RS485 network.

WARNING: This product can cause exposure to substances, such as *phthalate plasticizers*, known to the State of California to cause cancer and reproductive harm. For more information, go to oehha.ca.gov/proposition-65 (<https://oehha.ca.gov/proposition-65>).
